湯村温泉場之圖

This image shows a page from a traditional Chinese dictionary, likely the Kangxi Dictionary. The page is organized into columns and rows, with characters and their meanings listed. The top section features a large character '山' (mountain) and its various meanings and derivatives. The bottom section features a large character '水' (water) and its various meanings and derivatives. The page is densely packed with text and includes a small illustration of a mountain peak in the top right corner.
